

Paymate

Time and Attendance Terminal

Advanced, user friendly time and attendance terminal, featuring Ethernet connectivity and power-over-Ethernet.

Designed for those who demand simple setup and ease of use, along with HTTP, XML and DHCP network connectivity.

The Paymate features a customizable overlay to fit comfortably with your design needs. One-wire connectivity and power simplifies installation, and two-button interface simplifies use.

Specifications

Display:

128 x 64 LCD (blue & white LED backlight)

Clock:

Battery-backed real-time clock
